SEVENTH ANNUAL POSITIONED TO PROSPER

SOCIAL VENTURES MISSION

SocialVentures advances remarkably good businesses—businesses that intentionally integrate social impact as a non-negotiable component of their business model.

WHY SUPPORT POSITIONED TO PROSPER (PTP)?

- Celebrate and advance businesses that do social good, changing lives and strengthening our community.
- Meet people leading change, learn progress and envision what's possible.
- Join the conversation about the importance of the work, mission, and impact of social enterprise.
- PtP is *the* place to be, the epicenter to learn the state of social enterprise in central Ohio.
- Recognize Allen Proctor, trailblazing SocialVentures founder, as he retires. Raise a glass to the man behind the vision, for paving the way forward for social enterprise and empowering businesses that are making our world a better place.
